2018 | **Graduate Assistant**
Northwest Missouri State University, Maryville, Mo, USA
    I am working in CSIS department as administration alumni

2017 | **Business Administrator**
Gundu's Furniture, India
    I worked in my own firm which involves purchasing raw material, converting them to finished goods where manpower is a primary part of the organization and finally selling the final product to customer (Client). I used to do my business simultaneously while
2012 | studying which improved my time management skills.
